

# CUSABIO®

## ELISA KITS

## ANTIBODIES

As a biologist maybe you have faced

**Get limited \$50 Coupon for each Cusabio Antibodies**

The coupon can be used for your next order

The coupons are redeemable for 6 months (from 1 Nov. 2017 to 30 Apr. 2018)

But after trying CUSABIO ELISA kit

Cool off, Repeat and Believe

Do you accept me?

Yes, I do.

HA HA! That won't really happen. All you can do is COOL OFF, REPEAT AND BELIEVE

Cusabio offers 50, 000+ antibodies that are specific to a variety of species and can be used in multiple applications.

As an original manufacturer, Cusabio designs, produces and validates every antibody in-house. Besides advanced experimental apparatus, Cusabio antibody line also has a professional technical team, so Cusabio has succeeded in setting up many technology platforms.

Cusabio antibodies could be applied in ELISA, WB, IHC/ICC, IF, IP/Co-IP, ChIP and FC.

CUSABIO ELISA kit does not have any magic. It's just a research tool that helps you get reliable and repeatable results and gives you a little bit support on your way to becoming an all-conquering biologist.
